Time Revolution The First Essence 5X 150ml

150ml/ ₩42,000

Description

- **A FACIAL TONER THAT DELIVERS:** This toner is made with our extreme fermentation process, a unique 3-step fermentation method that delivers an extreme boost of active ingredients to the skin.
- **HYDRATING TONER:** Formulated with 97% desert cica yeast ferment, this firming and brightening essence helps maintain the skin's pH balance, deliver dense moisture, and strengthen skin.
- **TIME FOR A REVOLUTION IN SKINCARE:** Our unique long fermentation process means each product delivers 100% undiluted anti-aging energy. Try the entire Time Revolution line of Korean skincare products.

How to use

Use as the first step in your nightly skincare routine. Apply essence to face using your palms, gently patting skin. Or apply it in the morning with a clean cotton pad to use it as a cleansing toner to even your skin's texture.

Time Revolution Night Repair Ampoule 5X 50ml

50ml/ ₩42,000

Description

- **WRINKLE SERUM FOR FACE:** Our extreme biome complex contains 10 types of probiotics that are put through an extreme fermentation process to extract and preserve their rejuvenating, restorative powers.
- **TRIPLE FERMENTED:** First we extreme ferment, then warm ferment, then ferment again at cold temperatures, and then finally extract using a low-temp, high-pressure process. The result is a highly concentrated pure, potent extract.
- **REPAIR SKIN:** This soothing face-care serum is moisturizing and hydrating while improving elasticity and radiance overnight. Tired skin starts to recover after only ten hours of use!

How to use

Apply this face-moisturizing serum at night as part of the last step in your skincare routine. The firming anti-wrinkle serum strengthens and lifts while you sleep.
